WHAT'S NEW

Azco Knife Assemblies Give Clean Cuts

FAIRFIELD, NJ | Azco Corp. reports its SUR-CUT guillotine knife assemblies offer many benefits, including simple installation and hookup, long blade life, clean cuts, and low maintenance. Units can be mounted in any position for convenient operation, and they cut a wide variety of flexible materials.

Dispensing System from Dymax Has Long Life

TORRINGTON, CT | Dymax Corp. reports the Model 475 valve dispensing system utilizes a pneumatic, normally closed diaphragm valve to dispense accurately low- to high-viscosity fluids. The design of the internal diaphragm and adjacent parts prevents migration of fluid into the actuating section with the valve.
